**WRIT PETITION No.21117 OF 2005**

**O R D E R:**

The petitioner claims that he is working as Village Electrical Worker at Aravapalli for the last several years. According to him, he appeared in the interview held on 15-09-1997 pursuant to the intimation given to him by the respondents through letter dated 08-09-1997. His grievance is that though several persons, situated similar to him, have been appointed as Junior Line Men on contract basis, his case was not considered. He claims to have submitted a representation dated 23-02-2003 in this regard and complains that no action has been taken thereon.

Heard the learned counsel for the petitioner and the learned Standing Counsel

for the respondents.

There is a scheme of appointing the Village Electrical Workers as Junior Line Men on contract basis subject to certain conditions. The petitioner claims to have been interviewed for that purpose way back in the year 1997. The circumstances, under which, the claim of the petitioner was not considered, are not communicated as of now. Having waited sufficiently, the petitioner submitted a representation dated 23-02-2003. More than two years have elapsed since the representation was submitted. The petitioner cannot be made to wait indefinitely on this aspect.

Therefore, the writ petition is disposed of directing the respondents to pass appropriate orders on the representation dated 23-02-2003 submitted by the petitioner, within a period of two months from the date of receipt of a copy of this order.
